VOLUME 22 JANESVILLE, WISCONSIN, WEDNESDAY, APRIL 3, 1878. NUMBER 22

THE CITY ELECTION.

The result in this city yesterday proves that if there is any one thing more uncertain than spring weather on the verdict of a jury, it is a municipal election. The Republicans entered the contest with pretty strong hopes that they would carry away their share of the city offices, and would also elect three or four aldermen, but they came out of the fight disappointed. The election was one of the most singular and significant held in the city for years. It was unusually quiet and orderly, which is a credit to both parties; but there was a strong personal effort made on the part of many of the candidates. They took the field, brought out every available man, and commanded their forces with considerable skill. The total vote was large, being 1,760, and more split tickets were hardly ever known in Janesville. Some Republicans seemed to have lost their senses, by deserting their own candidates and voting for inferior men on the Democratic ticket. Had the superior men been on the latter, there would have been some excuse for slaughtering one's own political friends, but inasmuch as the case was entirely different, their course is enigmatical,

Of the city ticket, Mayor Norcross is re-elected by 67 majority, and is the only Republican saved from defeat. Both candidates are popular men. Mr. Blount, the Democratic nominee, is one of the most upright men in the party, and yet he failed to draw from the Republican ranks like those who are far less worthy the suffrage of the people. Mayor Norcross's endorsement is one of which he can feel proud. The remainder of the ticket was elected by majorities ranging from 75 to 154. We sincerely regret the defeat of several of our candidates. They were honorable, deserving men, have filled the offices to which they sought re-election, with credit, and thereby earned a second endorsement. Politically, the Council will stand as before. In point of ability there has been no change. Mr. Vankirk, for the Second ward, is a very desirable acquisition to the Council, as he will make a first class alderman. Mr. Blount, who has done the city so much good service in the Council, retires for the present, his place being filled by Mr. Joyce. The Republican spoils of yesterday's election are the Mayor, four Supervisors out of five, one Aldermen out of five, one School Commissioner out of two, and four Constables.

WHEAT SOWING.

It is generally predicted this spring, that the Northwest will be blessed with an abundant crop this season. The prospects are exceedingly favorable at this time of writing. So far as the ground is concerned, it has not been in a better condition for twenty years. The season opened early, and consequently sowing was done much earlier than at any time since 1850. Experience has shown that when grain is sown early, a good crop follows. There is hardly an exception to this rule, and for this reason our oldest and most observing farmers, prophesy that the crop of 1878 will be a large one. We herewith print an interesting table giving the date of the sowing wheat in this county, from April 1857 to the present time. The record was kept by Hon. Andrew Barlass, of the town of Harmony, to whom we are indebted for the valuable information. The dates here given will generally indicate the time of sowing in both Rock county and Southern Wisconsin. The sowing of wheat began on these days:

1857	April 23	1868	March 30
1858	April 1	1869	April 20
1859	April 19	1870	April 14
1860	March 19	1871	March 30
1861	April 11	1872	April 19
1862	April 14	1873	April 16
1863	April 18	1874	April 7
1864	April 14	1875	April 21
1865	April 5	1876	April 18
1866	April 21	1877	April 11
1867	April 19	1878	March 13

It will be seen from this record, that during the past twenty-two seasons, sowing has taken place four times in the month of March, and that the earliest sowing in the twenty-two years was done this season. The expectation of a large harvest, in consequence of getting in the crop early, has induced many farmers to sow largely of wheat, and the estimate is that the average will be 25 per cent greater this year than last.

A dispatch from Washington to the Evening Wisconsin yesterday, says it is understood that General Amasa Cobb will be appointed Assistant Auditor of the Treasury Department, in place of D. W. Mahon. He has had many years of experience in public affairs, and is a financier of some reputation. He came to the Territory of Wisconsin in 1842, when he was fifteen years old, and engaged in mining. He served as a private in the Mexican war. Shortly after he studied law at Mineral Point, and entered the practice. In 1855 he was elected to the State Senate, and was also Adjutant General of the State. He was a member of the Assembly in 1860 and 1861, and was Speaker during the latter year. During the war he was colonel of the 5th Wisconsin, and was brevetted brigadier general. He served eight years in Congress from the Mineral Point district, being a member of the 38, 39, 40, and 41st Congresses. In 1870 he removed to Lincoln, Nebraska, where he became president of a national bank.

The Madison papers which are always disputing each other, are having a controversy about the clerical errors made in the Assembly during the late session. The State Journal, in one of its articles gives this information: "But there were four other bills—Nos. 264, 472, 463, A.—that never did pass both branches of the Legislature, but do appear as chapter 286, 287, 265 and 282, of the laws, as deposited in the office of Secretary of State. As to these four bills, Chief Clerk Hunter admits that we were correct in our statement. It was not for political effect that we made the statement, the other day but to give correct information to the people in ragard to the laws of the State. The Democrat attempts to show that it was done for the purpose of fault-finding, and for political effect, and professionally makes the statement as though we were wholly in error, failing totally to mention the four bills that became laws without legislative action."

Says the Utica (N. Y.) Herald, a strong Republican paper: Timothy Howe has been seventeen years in the United States Senate. During that long stretch of time he has twice made himself conspicuous; once by his hostility to Lincoln, and now by his opposition to Hayes. And then the New York Commercial Advertiser, a sound Republican journal, adds: The disposition to sit down on Senator Howe, without regard to party, seems general. The most successful Congressman at this juncture is he who sits still and makes no speeches save "aye" and "nay."

General B. D. Pritchard, of Michigan, has written a three column article in the Chicago Tribune, in which he gives a true history of the capture of Jeff. Davis. He was in command of the troops which made the capture, and was present when Davis, his family and staff were apprehended. He says Jeff. was disguised in female apparel, exactly as the General stated when he made his official report of the capture to the Secretary of War.

Beloit is wide-awake on the temperance question. The red-ribbon movement under the leadership of Dr. McCollister, is creating considerable excitement. Already between 1,600 and 1,700 persons have signed the pledge. Large audiences throng the opera house every night where meetings are held.

The Chicago Journal says that David Taylor and Harlow S. Orton, who were elected Associate Justices of the Supreme Court yesterday, were elected for terms of two and four years respectively. The Journal should be better informed in Wisconsin matters. Their terms are eight and ten years.

The revisory committee of the Legislature, and the revisers of the revised statutes, met at the Capitol to-day (Wednesday) and will proceed with their work. The revisers have considerable work to do before they will be ready to report to the Legislature.

On the first of April the public debt was $2,039,723,314. The debt was decreased nearly two millions and a half during the month of March, and since last June the reduction is $20,434,708.

Tilden's friends still have a lingering hope that the Presidential matter will be brought before the Supreme Court. Blair says he is confident Hayes will be ousted before sixty days!

We publish election returns from various portions of the State, which show that ocal politics is considerably mixed.

The vote cast in Janesville for Associate Justices of the Supreme Court, is Orton, 348, and Taylor, 384.

The Saul and Lilly mill property, three miles up the Chippewa from Eau Claire, has been purchased by the Northwestern Lumber Company, who will stock and operate it to its fullest capacity this season.

The engagement of Miss Julia Lucille Clark, of Neosho, one of the sister poets of Wisconsin, is announced, the marriage to take place about the 1st of May. The gentleman of her choice, Lieutenant G. N. Chase, graduated at West Point with the class of 1877, having previously finished a classical course at the State University of Missouri. The engagement is one of long standing, being but a ratification of a childish attachment, formed many years ago. It is to be hoped that as Mrs. Chase she will not wholly retire from the literary field in which she has already achieved much success.

The Whitewater Pantagraph, after a brief existence of seventeen weeks, gives up the ghost and adds one more to the number of Democratic papers in Walworth county to climb the golden stair. The surest and the quickest way to fail in business is to start a Democratic paper in Walworth county.

Russia's New Demands on Turkey—Preparing to Receive the British at Constantinople.

LONDON, April 3.—A special from Constantinople says: "The Russians, fearing the Turks will endeavor to maintain neutrality, M. Onou, First Dragomam of the Russian Embassy, has made the following demands, which may be regarded as an ultimatum: Abandonment to the Russians of fortifications on both sides of the Upper Bosphorus and Gallipoli and Boulair on the Dardanelles. The Turks are also to evacuate Makrikevi and Maslak, and place some barracks and hospitals at the disposal of the Russians. The Grand Duke Nicholas last night urged these demands upon Reouf Pasha, and they will be submitted to a Council. It is said that the Sultan and Vefik Pasha oppose them.

BLAIR'S RESOLUTIONS.

The Contest of the Presidency—What is Said of the Matter at Washington.

WASHINGTON, April 2.—Montgomery Blair's resolutions, which passed the Maryland Legislature yesterday, created no sensation here, and very few people have taken notice of them. It is understood that the Attorney General of Maryland will retain Blair to assist him in the Supreme Court, and Blair can be depended on to push the matter as fast as possible. A conversation between Mr. Foster, of Ohio, and Dick Merrick, a prominent Democratic lawyer, and one of Tilden's Attorneys before the electoral commission, is reported. Foster remarked that the Democrats could not get a quo warranto bill through the House. Said Merrick: "Well, perhaps not; but we can get one through the Senate." "No doubt of that," replied Foster.

NOMINATIONS.

WASHINGTON, April 2.—The President sent the following nominations to the Senate: William C. Howells, now Consul at Quebec, to be United States Consul at Toronto; John N. Wasson, of Illinois, United States Consul at Quebec.

Postmasters—Almon Samson, Richmond, Ind.; N. H. Ives, Independence, Kan.; Gilmore M. Stratton, Clay Centre, Kan.; L. C. Crittenden, Paola, Kan.; Edward M. Bloomer, Fort Laramie, W. T.

The Senate in executive session confirmed the nomination of the following Postmasters: Martin Mulville, at Delavan, Wis.; S. D. Atkins, Freeport, Ill.; John S. Holbrook, Nevada City, Col.; David Hooper, Kirksville, Mo.

WISCONSIN.

Result of the Municipal Elections in Madison, Watertown, Fond du Lac, La Crosse, Milwaukee, Racine, Appleton, and Oshkosh.

MADISON, April 2.—The city election passed off quietly. The contest centered on Treasurer, but there was no particular enthusiasm. A fair vote was polled. Gen. George B. Smith, a Democrat, was elected Mayor without opposition. Andrew Daubner, Democrat, was elected Treasurer by 85 majority over Charles Kayser, Republican. City-Clerk Corscot will be reappointed by the Common Council, which is eleven Democrats out of fifteen. Andrew Bishop will also be re-appointed Chief-of-Police, without doubt.

WATERTOWN, April 2.—At the municipal election held here to-day the Democrats elected their Mayor, C. Reubbausen, over the candidate on the People's National ticket, W. Schute, by a majority of 646. The regular Democratic candidate for city Treasurer, A. Black, is defeated by Anton Schumacker, Independent, by five majority. C. Noack and M. J. Gallagher, Democratic candidates for Assessors, and elected by large majorities in the Fifth and Sixth Wards. David Pulling has a majority of 147 over a Scott Sloan for Circuit Judge.

FOND DU LAC, April 2.—The city election to-day resulted in the election of Hatch for Mayor, and Town, straight Republican, for City Treasurer. The Greenback element was an important factor in Hatch's election. There was little excitement and party lines were largely ignored.

MILWAUKEE, Wis, April 2.—The Democrats elected their entire ticket here to-day. The majorities are from 345 for Black, Mayor, to 1,000 for White, Comptroller. The balance of the ticket, as elected, is J. C. Trumpf, Treasurer, and D. H. Johnson, Attorney.

LA CROSSE, Wis., April 2.—At the charter election held to-day, David Law, Democratic candidate for Mayor, was elected by a majority of 292; City Clerk, O. H. Smith, re-elected, also George Scharpf for Treasurer.

APPLETON, Wis., April 2.—Jas. Ryan, Democrat, was elected mayor to-day, over J. H. Marten, by about 225 majority; P. Crikel, Democrat, city clerk; Jas. Koffend, Democrat (re-elected), city treasurer, and Jas. Golden (re-elected) city marshal, with out opposition. A majority of the newly elected aldermen are Democrats.

EAU CLAIRE, Wis., April 2.—The city election resulted to-day in the Republicans gaining the mayor, thaee aldermen and the city treasurer, and the Democrats the municipal judge and five aldermen. Henry Cousins, candidate for circuit judge goes out of the county with an estimated majority of 1,000.

ELKHORN, Wis., April 2.—At the charter election to-day the issue was non-political, and one of license or anti-license. The result was the election of a whisky ticket, and the following excise board; O. C. Chase, D. Stanford, and R. D. Harrimon.

RACINE, April 2.—The charter election passed off quietly here to-day, but was characterized by excessive scratching of tickets. The following Democratic nominees were elected: For Mayor, J. G. Meachem, this being his second re-election; for Treasurer, J. R. Brown; for Justice of the Peace, L. V. Maguire. The Republicans elected their nominees for Clerk, A. C. Arveson, and for Assessor, J. Liezier, Jr. Meachem's majority was 197. The Democrats will have a majority in the city Council the coming year.

PORTAGE, April 2.—The city election today resulted as usual in a Democratic victory, except Assessor. The fight was made on Assessor, as both men are Democrats. The law and order candidate was victorious by a good round majority.

WAUKESHA, April 2.—The election passed off very quietly in this village. The weather was fine, yet the number of votes polled was nearly one hundred less than last spring. The Republicans elected the entire ticket, with the exception of Mr. J. J. Gibbs, for Town Clerk, who was beaten by Mr. Hepp, Democrat, by a majority of five. The majorities range from eight to 336.

Dr. V. CLARENCE PRICE
—HAS—
Visited Janesville
EIGHTEEN YEARS.
HAS met with unparalleled success in the treatment of all
Chronic Diseases
—OF THE—
THROAT,
LUNGS,
HEART,
STOMACH,
LIVER.
Head, nerves, kidneys, bladder, womb, and blood affections of the urinary organs, gravel, scrofula, rheumatism, catarrh, asthma, bronchitis, dyspepsia, &c.
Dr. Price's reputation has been acquired by candid, honest dealing and years of successful practice.
My practice not one of experiment, but founded on the laws of Nature, with years of experience and evidence to sustain it, does not tear down, make sick to make well; no harsh treatment, no trifling, no flattering. We know the cause and the remedy needed; no guess work, but knowledge gained by years of experience in the treatment of Chronic diseases exclusively; no encouragement without a prospect. Candid in our opinions, reasonable in our charges, claim not to know everything, or cure everybody, but do lay claim to reason and common sense. We invite the sick, no matter what their ailment, to call and investigate before they abandon hope, make interrogations and decide for yourselves; it will cost nothing as consultation is free. Visits made regularly.

H. A. PATTERSON, P. M.

England's Military Leaders.

The commander-in-chief of the British army is the Duke of Cambridge. The duke is the grandson of George III, and was born in 1819. He became a major general in 1845. After active service in the Crimea he was appointed to his present position in 1856. He was made a field marshal in 1862. The duke is well up in the theory and detail of his profession; but of course his position is owing entirely to royal connection.

The man who is named for the command of England's active field army, in the event of war with Russia, is Baron Napier, of Magdala, who is a real soldier indeed. His name is Robert Cornelius Napier, and he was born in Ceylon in 1810. His father was Major C. F. Napier, of the royal artillery. His son was educated at the Military College at Addiscombe. In 1826 he entered the royal engineers as second lieutenant. For many years Baron Napier brilliantly and gallantly served in India and was two or three times wounded. His Indian service began in 1845. He was particularly distinguished in the action leading to the first relief of Lucknow and subsequent operations. At the siege and capture of Lucknow he was brigadier and chief engineer. Baron Napier was also conspicuous in the Chinese war in command of a division, and was promoted major general. In 1867 he was made a lieutenant general and commanded the expedition against Abyssinia which resulted in the capture of Magdala. Napier was raised to the peerage the following year for his eminent services, and nominated a G. C. B., having previously been made C. B. and K. C. B. for his services during the Indian mutiny. In 1870 and 1876 Baron Napier was governor and commander-in-chief of India. He was then transferred to the governorship of Gibraltar. He was commissioned a general in 1874.

A Good Sxample of Cheek.

Cheek? What, that was no name for it. He was an itinerant vender of lamp burners, this one, and he generally gained his end whenever he was permitted to enter a house. Yesterday while wandering about the city he wandered into a house in the southern part of the town, where sorrow evidently reigned. The lamp man, finding the door open, walked right in, and there found a poor woman in tears, with a friend or two trying to console her for the loss of her husband, who lay dead in the same room.

"Can I sell you a new patent lamp burner, ma'am?" said the vender.

"No, sir," replied the woman between her sobs, "I don't wish anything of the kind."

"Please let me explain its beauties, ma'am," he said, "and I'm sure you'll take one. You see this——"

"But I don't want it, sir," she said; "I wish you would go away. Don't you see my poor, dear husband lying here? Leave me with my sorrow."

"Oh, yes'm, I sympathize deeply with you, ma'm. Excuse me. I can't keep back these tears. Oh, ma'am, if you only knew what a great consolation these patent lamp burners of mine are, on such occasions as these, you would not be without one a single minute. Why, ma'am, put one of these in his hand, and it would light him through all the darkness he has to pass through without any trouble, and when you come to die he could hold the lamp for you when you go to ascend the golden stairs."

And the specious scoundrel kept on in that strain until he had sold half a dozen to every female in the room.—Cheek! Oh, no!—*Louisville Commercial.*

"My Lords and Gentlemen."

All, or nearly all, the officers of the two houses of Parliament live in Parliamentary Palace, and live in style. Rt. Hon. Sir Walter Knollys, $10,000; the Yeoman Usher at $5,000; the Sergeant-at-Arms, Lieut. Col. Hon. W. P. Talbot, $7,500, and his Deputy $3,000. There is a well salaried shorthand writer and a host of uniformed doorkeepers and servants comfortably compensted.

The Speaker of the House of Commons, the Rt. Hon. H. B. W. Brand, M. P., receives $25,000 a year; the Deputy Speaker and Permanent Chairman of the Committee of the Whole, Henry Cecil Raikes, M. P., $12,500; the Clerk, Sir T. Erskine May, K. C. B., $10,000; his Clerk Assistant, $7,500; the Second Assistant, $5,000; the Principal Clerk of the Public-Bill Office, $5,000; the Principal Clerks of the Committees, $5,000; seven senior clerks from $3,500 to $4,000 each; thirteen assistant clerks from $3,000 to $1,500 each: the Sergeant-at-Arms, $6,000 and two Deputies, one at $4,000, and the other $2,500; Counsel to the Speaker, $9,000, Librarian, $5,000, and his Assistant $2,800; the Referees of Private Bills, each $5,000. There are also many others, including a Chaplain of $2,000, Secretary to the Speaker, a short-hand writer, doorkeepers ad libitum, and servants on excellent salaries.—*Col. Forney's London Letter in the Philadelphia Press.*

Something About Barrel Staves.

Pittsburg Chronicle.

B. F. Ruff, a stave dealer of this city, a few days since, had felled from his land, in West Virginia, a white oak tree, from which was cut 1,800 barrel staves. The tree was five feet at its base and thirty three feet high, and there were twelve lengths from which the staves were made. The average number of staves to a tree is 600, though it frequently occurs that 600 to 900 are secured. Mr. B. D. Moore, of Duquesne Way, who has been in the stave business for a number of years, states he cut a tree in West Virginia, opposite Steubenville, some years since from which was taken 1,500 staves and 1,000 pieces of heading.

Wonder Upon Wonder!

From the Austin (Nev.) Reveille.

An electrician of this city has invented an improvement on the telephone, which he calls the "kissograph." It works on a principle of magnetic attraction, and by its means an absent husband can kiss his own wife at a distance of a thousand miles. To make use of it for kissing another man's wife disarranges the instrument and creates a current which sets the steam whistles to blowing and the fire bells to ringing.

MISCELLANEOUS.

A timely dose of Schenck's Mandrake Pills is sure to prevent an attack of biliousnese, when a short neglect of the warning symptoms may develop a serious case of fever, either bilious, intermittent or typhoid.

Schenck's Mandrake Pills remove all causes of biliousness, promptly start the secretions of the liver, and give a healthy tone to the entire system. It is no ordinary discovery in medical science to have found a harmless cure for this stubborn complaint, which accomplishes all the results heretofore procuced by a free use of calomel, a mineral justly dreaded by mankind, and acknowledged to be injurious in the extreme to the human system. That the properties of certain vegetables comprise all the virtues of calomel without its injurious qualities, is now an admitted fact, rendered indisputable by scientific tests. Those who use the Mandrake Pills will be fully satisfied that the best medicines are those provided by nature in the common roots and herbs of the fields.

These pills open the bowels and correct billous derangements without salivation or any of the injurious effects of calomel or other poisons The secretion of bile is regulated as will be seen by the altered color of the stools, the disappearance of the sallow complexion and the cleansing of the tongue.

Ample directions for use accompany each box of pills. Prepared by J. H. Schenck & Son, at their principal office, cor. Sixth and Arch streets, Philadelphi. Price 25 cents per box.

For sale by all druggists and dealers.

CATARRH

A PHYSICIAN'S TESTIMONY.

30 Years a Physician. 12 Years a Sufferer. Tried Regular Remedies. Tried Patent Medicines. Permanently cured by

SANFORD'S RADICAL CURE.

MESSRS. WEEKS & POTTER.—Sirs: I have practised medicine for thirty years, and have been a sufferer myself for twelve years with Catarrh in the nasal passages, fauces and larynx. I have used everything in the *materia medica* without any permanent relief, until finally I was induced to try a patent medicine (something that we allopathists are very loth to do). I tried —— and divers others until I got hold of yours. I followed the directions to the letter, and am happy to say have had a permanent cure. Your RADICAL CURE is certainly a happy combination for the cure of that most unpleasant and dangerous of diseases.

Yours, respectfully,
D. W. GRAY, M. D.,
Of Dr. D. W. Gray & Son, Physicians and Druggists, Muscatine, Iowa.

MUSCATINE, Iowa, March 27, 1877.

The value of this remedy must not be overlooked in the cure of those

SYMPATHETIC DISEASES,

Affections of the Eye, Ear, Throat, Lungs and Bronchial Tubes which in many cases accompany a severe case of Catarrh. The inflamed and diseased condition of the mucous membrane is the cause of all these troubles; and until the system has been brought properly under the influence of the RADICAL CURE, perfect freedom from them cannot be reasonably expected.

It is but three years since SANFORD'S RADICAL CURE was placed before the public, but in that short time it has found its way from Maine to California, and is everywhere acknowledged by druggists and physicians to be the most successful preparation for the thorough treatment of Catarrh ever compounded. The fact will be deemed of more importance when it is coupled with the statement that within five years over 250 different remedies for Catarrh have been placed on sale, and to-day, with one or two exceptions, their names cannot be recalled by the best-informed druggist. Advertising may succeed in forcing a few sales, but, unless the remedy possess undoubted specific medical properties, it is absolutely certain to fall into merited obscurity.

Each package of SANFORD'S RADICAL CURE contains Dr. Sanford's Improved Inhaling Tube, with full directions for its use in all cases. Price $1.00. Sold by all wholesale and retail druggists and dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

THE GAZETTE.

WEDNESDAY, APRIL 3, 1878.

CLINTON.

—Rev. Mr. Smith, of Green county, occupied the Baptist pulpit Sunday morning and evening.

—The exhibition at Minon hall by the teachers and pupils of the graded school, on Tuesday evening, March 26th, was one of the finest affairs of the season and was enjoyed by a crowded house. It was so good that they were asked to repeat it on Thursday evening following, which they did with increased interest and much credit to themselves. The ayails are to be used to purchase an organ for the high school.

—D. G. Cheever has nearly completed a history of the town of Clinton, which gives dots and incidents of the early settlement of the town, a complete list of town officers year by year, including pathmasters, tables showing the amount of taxes raised each year, and for what purposes, a war record showing the amount of money raised for bounties, also the amount contributed for private bounty and the names of the contributors together with a list of the names of volunteers who were credited to the town in filling the town quota. It will also give a brief history of each religious society and of all the secret societies in town, a business directory of all firms doing business in town, brief biographies of our oldest settlers and much other matter of interest compiled from the town records and other reliable sources. If suitable encouragement is given he will publish the same in pamphlet form.

—The Clinton Greenback Club was reorganized Saturday evening. Deacon Wooster fascinated them with his eloquence for about half an hour. The officers elected for the ensuing quarter are as follows: President Calvin Pratt; Vice-President, Alex Thorn; Secretary, H. A. Anderson; Treasurer, P. Crosby; Executive Committee, H. S. Wooster, G. C. Babcock, R. M. Birdsall. To make the calling and election of this movement sure, that great good and truthful man Saint Pomeroy, usually known as "Brick" is to come out ere long to tell what he knows about making money out of paper.

—The Republican electors with the aid of the Reform Club, nominated a full ticket for town officers on the 30th inst.

—The fair and festival at Temperance hall on Friday and Saturday of last week was a success. Many of our citizens availed themselves of the opportunity to get a square meal and a desert of maple sugar. The new set of dishes secured by the generosity of the people, and the efforts of Mrs. Dresser, proved to be just what was needed. The proceeds of the fair will be devoted to the purchase of a library for the use of the temperance societies.

—The new feed mill is now resting while the machinery is being readjusted.

—Dr. C. L. Crandall and wife, of Emerald Grove, called on their friends last week. They report their surrounding as being very pleasant at the Grove.

—Mrs. M. P. Frost returned from Freeport, last Friday, where she has been to attend the funeral of her father.

—Some eight or ten different tickets were in the field on Tuesday.

First Glimpse of the Yo Semite.

From B. R. Taylor's "Between the Gates."

At three o'clock, afternoon, we had climbed almost to Inspiration Point without knowing it, whence the valley of the Yo Semite appears to you—there is no other word; "breaks" and "bursts" are terms of feeble violence to express the truth. * * * * * * * *

Spectral white in the glancing of the sun, the first thought was that the granite ledges of all the mountains had come to resurrection, and were standing pale and dumb before the Lord. We had emerged in an instant from a world of life, motion and warm, rich color into the presence of a bloodless world, a mighty place of graves and monuments where no mortal ever died. It looked a little as I used to fancy those Arctic wonders looked to Dr. Kane, glaciers, icy peaks and turrets, turned imperishable in the golden touch of a tropic sun. For the first few instants I saw nothing in detail. I had been making ready for it for weeks; not reading such dull descriptions as my own; not reading anything; only fancying, dreaming, wondering, and here it took me by surprise at last! It seemed a glimpse into another and an inaccessible kingdom. I am ashamed to say for one moment I was disappointed, for another afraid, in another astounded.

Remarkable Phenomenon.

About twelve years ago, Mrs. Weis, an estimable lady, aged about 60, died at her home near this city, and her remains were interred on the farm of a relative, Mr. Jacob Koepf, about two and a-half miles north of Fort Wayne. As the farm was about to pass out of the hands of the family, the body was yesterday disinterred for the purpose of being removed to Linwood Cemetery. The coffin, which had been wasting in a damp place, was found to be well preserved. When opened, the remains presented a most striking appearance. The features were unchanged, having altered in no respect since death. The body was completely petrified, every portion of it being as hard as rock. When struck with the hand, the resulting sound was as loud as if a stone wall had been hit. Mrs. W. was a very large woman during her lifetime, and when she died weighed about 200 pounds. The weight of the body yesterday was so great that it taxed the strength of six large men to move it. The lines of the face were hardened, and the entire body was as rigid as a bronze statue. The remains were complete, with the exception of the feet, which were gone, there being only two small bones left, which were detatched from the ankles. The body was brought to this city yesterday, and reinterred in Linwood Cemetery. Mrs. Weis was the mother-in-law of John Vondermark, Esq., of this city.—*Fort Wayne Sentinel.*

A New Bonanza King.

From the Leavenworth Times.

Charles Wegner writes that a magnificent sight was witnessed at Helena, on the 16th inst., which would make any man's eyes water. In Hershfield & Bro's. bank there was displayed, in a showcase, a common tin pan, half full of gold lumps varying in size from a goose egg to a quart measure, the entire collection being worth $30,000. These specimens came from the now celebrated Penobscot mine, located twenty miles northwest of Helena, and owned by Mr. Nate Vestel, the Bonanza King of Montana. He was, two months ago, $12,000 in debt, and now has a daily income of $2,000. He has taken out of the mine during the past two months about $70,000 in gold, and has an offer for his mine of $300,000 from a Chicago firm.

Schurz and the Timber Thieves.

Washington Post.

All the stolen timber cases but one in Calcasieu Parish, Louisiana have been settled in favor of government by confession of judgment and surrender of stolen property. The cash receipts already exceed $6,000 from that parish alone, or more than the Senate voted the Secretary of the Interior to prosecute these cases all over the country. Letters received from disinterested parties in Kinsley, Kansas, represent to Secretary Schurz that timber stealing in that region is progressing at a lively rate. Depredators are cutting immense quantities of red cedar and other timber, from the Osage Indian trust lands in Barber and Comanche counties, and selling it at Kinsley and other places. The matter will be investigated. New cases of timber stealing are continually coming to the notice of the department, showing the depredations to be much larger than at first supposed.

VEGETINE

FOR

Chills, Shakes, Fever and Ague.

TARBORO, N. C., 1878.

DR. H. R. STEVENS:—
Dear Sir—I feel very grateful for what your valuable medicine, Vegetine has done in my family. I wish to express my thanks by informing you of the wonderful cure of my son; also, to let you know that Vegetine is the best medicine I ever saw for *Chills, Shakes, Fever and Ague.* My son was sick with measles in 1873, which left him with *Hip-joint* disease. My son suffered a great deal of pain, all of the time; the pain was so great he did nothing but cry. The doctors did not help him a particle, he could not lift his foot from the floor, he could not move without crutches. I read your advertisement in the Louisville Courier-Journal, that Vegetine was a great Blood Purifier and Blood Food. I tried one bottle, which was a great benefit. He kept on with the medicine, gradually gaining. He has taken eighteen bottles in all, and he is completely restored to health, walks without crutches or cane. He is twenty years of age. I have a younger son, fifteen years of age, who is subject to *Chills.* Whenever he feels one coming on, he comes in, takes a dose of Vegetine and feels the last of that *Chill.* Vegetine leaves no bad effect on the system like most of the medicines recommended for Chills. I cheerfully recommend Vegetine for such complaints. I think it is the greatest medicine in the world. Respectfully,
MRS. J. W. LLOYD.

VEGETINE—When the blood becomes lifeless and stagnant, either from change of weather or of climate, want of exercise, irregular diet, or from any other cause, the Vegetine will renew the blood, carry off the putrid humors, cleanse the stomach, regulate the bowels, and impart a tone of vigor to the whole body.

VEGETINE

FOR

Dyspepsia, Nervousness, and General Debility.

BERNARDSTOWN, MASS., 1878.

We, the undersigned, having used Vegetine, take pleasure in recommending it to all those troubled with *Humors* of any kind, *Dyspepsia, Nervousness* or *General Debility* it being the Great Blood Purifier. Sold by R. L. Crowell & Sons, who sell more of it than all other patent medicine put together.

Vegetine is a great health restorer—composed exclusively of bark, roots and herbs. It is very pleasant to take; every child likes it.

VEGETINE

FOR

Nervous Headache and Rheumatism.

CINCINNATI, O., April 9, 1877.

H. R. STEVENS, ESQ:—
Dear Sir—I have used your Vegetine for *Nervous Headache*, and also for *Rheumatism*, and have found entire relief from both, and take great pleasure in recommending it to all who may be likewise afflicted. FRED. A. GOOD,
108 Mill St., Cinn.

Vegetine has restored thousands to health who had been long and painful sufferers.

VEGETINE

Druggists' Testimony.

MR H R. STEVENS:—
Dear Sir—We have been selling your remedy, Vegetine, for about three years, and take pleasure in recommending it to our customers, and in no instance where a blood purifier would reach the case, has it ever failed to effect a cure, to our knowledge. It certainly is the *ne plus ultra* of renovators. Respectfully,
E. M. SHEPHERD & CO., Druggists,

Head, nerves, kidneys, bladder, womb, and blood affections of the urinary organs, gravel, scrofula, rheumatism, catarrh, asthma, bronchitis, dyspepsia, &c.

Dr. Price's reputation has been acquired by candid, honest dealing and years of successful practice.

My practice not one of experiment, but founded on the laws of Nature, with years of experience and evidence to sustain it, does not tear down, make sick to make well; no harsh treatment, no trifling, no flattering. We know the cause and the remedy needed; no guess work, but knowledge gained by years of experience in the treatment of Chronic diseases exclusively: no encouragement without a prospect. Candid in our opinions, reasonable in our charges, claim not to know everything, or cure everybody, but do lay claim to reason and common sense. We invite the sick, no matter what their ailment, to call and investigate before they abandon hope, make interrogations and decide for yourselves; it will cost nothing as consultation is free. THE GAZETTE.

WEDNESDAY, APRIL 3, 1878.

CITY AND COUNTY.

BRIEFLETS.

—It's over.

—How do you feel?

—April starts out well.

—Now it's safe to talk "cow."

—The Round Table meets to-night.

—If the Council won't go to church, why Church must go to the Council.

—The April fools didn't all leave town Monday night. Some of them stayed to vote yesterday.

—The Young Men's Christian Association meet this evening at half past seven o'clock in their room.

—Webb's Original Tennessee Minstrels and Jennie Demorest's variety combination will appear at the Opera house next Friday evening.

—The Knights of Pythias have decided to occupy the hall in Pease's block for a year. It is to be refitted and refurnished in an attractive manner.

—McKey & Bro. are making a fine display of novelties in millinery. They have just opened large lines of frames and an elegant assortment of hats and bonnets in late styles and fashionable materials.

—Mitchell's ballet troupe, claiming to have fifty artists, sends word to-day to book them for the Opera house for June 13. Nothing like taking time by the fetlock. They propose to make a street parade of a sensational nature.

—James Fane was in trouble again last night, owing to alleged family difficulties, and was cared for at the jail during the night, as he was being greatly bothered by boys on the street who insisted on knowing what was the trouble between himself and wife.

—Rev. Mr. Erdman continues his Bible readings at the Presbyterian church. This evening his subject will be "The Transfiguration." The services commence at quarter to 8 o'clock, and those who attend are politely asked to invite their Bibles to accompany them.

—A party of young bloods got a keg of beer, last night, and had an opening in an alleyway not far from the race. An exchange of hard words, and a few harder blows, resulted before the bottom of the keg was reached. They settled their differences, however, by arbitration.

—A private letter, received to-day in this city from Monroe, County Missouri, contained a spire of wheat measuring one foot and a half, which indicates something of what the harvest will be, as well as affording a striking comment on the climatic difference between the two places.

—The lamp-post by the Congregational church, serves a kindly purpose to the lads who spend their evenings playing "mibs for keeps," in its light. Last evening as they knuckled down they joined in a good Sunday school hymn, paraphrasing it: "Let us play in the light, in the light, &c."

—Mr. Lynch, of Beloit, who served a sixty days sentence at the jail, and who has since then been in the employ of the Sheriff, took advantage of her liberty to-day to get most ingloriously drunk. She was arrested and brought before Justice Patten, who adjourned the case until she could get her head cleared up.

—Friends of Dr. Judd and Judge Conger received to-day the first tidings they have had from them since they sailed from New York for Cuba. The letters bore date March 11, and both of the travelers were reported as being in excellent health and spirits, and enjoying themselves at Porte Espagne. They expect to be in Janesville again by the first of next month.

—Camilla Urso, who will appear at the Opera house, next Tuesday evening, was born in Nantes, France. She began learning to play on the violin when only six years old, and has, by struggles and patient practice, which would make a novel of rare enjoyability, attained her present high rank. She brings with her some other artists of great merit, and the entertainment will be a choice one. The diagram is already placed on Moseley's counter, and seats can be procured at will.

—The Bower City Band gives its fifth annual concert to-night, at the Opera house. Mrs. St. John, Mrs. C. E. Moseley, Mr. Charles A. Patterson and Prof. C. G. Titcomb will assist. The programme is well arranged, and judging by the demand for tickets, there will be a large attendance. The price has been placed at two shillings, and considering the character of the concert, money cannot more profitably be invested. The Band merits a liberal patronage, as it is an honor to the city, besides proving a great convenience. The members sacrifice time and money to keep up the organization at high rank in the State, and they should receive the encouragement of a crowded house.

THE WEATHER.

The thermometer this morning at 7 o'clock stood at 42 degrees above and at 2 o'clock at 58 degrees above. Cloudy. One year ago to-day the thermometer stood at 28 degrees above and 41 above.

The indications to-day are clear or partly cloudy weather, light variable winds, stationary pressure and temperature.

OAK HILL CEMETERY.

The following interments have been made in Oak Hill cemetery during the month of March, 1878:

March 3rd—James Clarke, Janesville, 81 years.
" 6th—Guy Myers, Janesville, 1 yr. 3 mo.
" 14th—Mrs. James Burgess, Janesville, 65 years.
" 20th—Mrs. E. F. Watts, Janesville, 43 years.
" 25th—James Wallace—unknown, 50 years.
" 31st—Miss Jennie C. Downing, Town of Janesville, 17 years.

EMERALD GROVE.

—William Wright left for Montana last Monday.

—E. Heller, the enterprising blacksmith, has sold nineteen drags this spring.

—A new minister has arrived at Rev. G. Rindell's, and it weighs nine pounds.

—Mr. John S. Wright has a cow which gave birth recently to a calf minus a tail. It brings to mind an incident which happened in this vicinity some time ago when a young man sold one of his neighbors a cow with a false tail. Said neighbor did not discover it until some three or four weeks after he had purchased her.

The Candidates who Made their Calling and Election Sure.

The Majorities as Compared with Former Years.

A Quiet Day and a Dearth of Criminality.

The Cold-Water Fight at Beloit —Election Returns from Other Adjacent Towns.

The city election yesterday was a surprise party to most of those concerned in it, many of the victorious ones even, not having much hope in the result, until the report of the tallyers began to come in. Even then they thought there must be some mistake about it. Prophecies and guesses were heartlessly knocked in the head by the cruel figures, and some who felt sure of having a chance to crow to-day were doomed to accept the result without a peep, while some who had not prepared their throats for any sort of a hurrah were unexpectedly called upon to utter joyful squawks.

There was very little disordliness shown during the day though there was a slightly heavier vote than last year, it numbering then 1742 votes against 1760 this year. The year previous there were 1701 votes cast, showing a gradual increase, as might be expected in as growing a city as Janesville. Throughout the city, however, quiet reigned to such an extent that not a single arrest was deemed necessary on account of any undue indulgence in election whisky, or over-enthusiasm in the discussion of political topics. This speaks loudly for the moral character of the city.

After the result of the vote had become bruited about, a number of the successful candidates were visited by their congratulating friends, who were accompanied on a portion of their journey by a band, and when bereft of music, sought to supply the vacancy by a free vent of noisy throats. While accompanied by the Catholic Band the joyful serenaders proceeded to the business place of Mr. Davies, and the residences of Mr. Burgess, Dr. St. John, Ald. Church and Mr. Joyce. The lateness of the hour and the weariness of the participants prevented any further visitations. A few bonfires were started in various parts of the city, by the boys who always choose such an occasion for indulging their juvenile passion for a blaze, but aside from these there were no demonstrations to indicate that the battle was over.

As to the "whys" and "hows" of the result, opinions are as various as are the men expressing them. It matters little now, how it was done, except that it is to be hoped that the voters may learn well the lesson taught them yesterday, and profit by the experience. The figures appended show the

COMPARATIVE MAJORITIES

The following figures show an interesting comparison between the result of last year's election and this:

	1877	1878
For Mayor		
Pliny Norcross	110	67
For City Clerk		
E. L. Dimock	22	
J. M. Burgess		154

Two years ago L. F. Patten was elected Police Justice by 82 majority and was defeated this year by 87 majority. M. M. Phelps was elected Justice of the Peace two years ago by a majority of 40, but was defeated this year by a majority of 147.

Herman Knoff, who was elected Sealer of Weights and Measures two years ago by a majority of 82 was defeated this year by 79.

Ald. Davies, who was elected from the First ward two years ago by a majority of 11, received this year a majority of 19. Constable Taylor, of the same ward, increased his majority this year from 20 to 57, and Supervisor Metcalf was this year elected by a majority reduced from 36 to 26.

In the Second ward O. T. Nowlan was re-elected Supervisor with a majority increased from last year from 34 to 117. S. C. Burnham, Jr., steps into another term of the School Commissionership with last year's majority of 101 cut down to 44. Constable Comstock's majority is also reduced from 87 to 79.

In the Third ward Ald. Church differed from his oponent, D. E. Fifield, by the 2 votes of the olden time. Constable Parker swells his majority from 107 to 166.

In the Fourth ward Supervisor Carle's majority has been cut down from 71 to 47 from last year, and Constable Drake's majority is also decreased from 104 to 94.

In the Fifth ward Ald. Fitzgibbons was reelected, but his majority of two years ago of 51 has been cut down to 32. Supervisor Ratheram, also reelected, has his last year's majority of 99 cut down to 69. Constable Merritt Case's majority last year was 148, but this year only 42.

THE NEW CITY COUNCIL

will be composed of seven Democrats and three Republicans, the former being indicated by Roman letters and the latter by Italics, as follows:

ELECTED	HELD OVER
1st Ward—D Davies	*F S Lawrence*
2d Ward—*W T Vankirk*	H Hutchinson
3d Ward—James Church	H D McKinney
4th Ward—Patrick Joyce	*J T Wilcox*

TOWN OF PORTER.

Supervisors for the coming year: David Van Wart, Chairman, Levi Knepper, J. Dane.

The question of license or no license was decided by a majority of about thirty against license.

BRADFORD.

—The election yesterday passed off very quietly, there being but one ticket in the field. The following officers were elected: Supervisors, Wm. Gardener, Chairman; J. S. Hedditch, Wm. Duthie; Town Clerk, Levi Davis; Assessor, Robert More; Treasurer, James Plantys; Justices, Austin Clark, Wm. Wyman, S. J. Cuckow; Constables, Perry Miller, James Black, John W. Davis.

NEWARK.

The following Republican ticket was elected:

Supervisors—E. K. Felt, 1st, Chairman, Holver Cleophas, W. L. Pierce.
Town Clerk—V. S. Davis.
Assessor—Richard Bills.
Treasurer—J. M. Warren.
Justices of the Peace—H. L. Skavlem, H. Bartlett.
Constables—W. H. Carpenter, Frank Leib.

Among the 140 votes polled, there were 22 different tickets, and yet the above secured a handsome majority.

JOHNSTOWN.

The town meeting held in this place was well attended, there being two hundred and forty-six votes cast. Two tickets were run, a union and a union temperance. The following gentlemen were the lucky ones.

Supervisors—G. D. Hall, Ch'n. Ruben Dickenson, John McLay.
Town Clerk—George Chandler.
Treasurer—H. L. Janes.
Assessor—Richard Cary.
Justices of the Peace—N. G. Goodhue, and J. T. Mansur.
Constables—George Stearns, Frank Blunt and Thomas Joice.

BELOIT.

—The municipal election passed off quietly yesterday notwithstanding a very large vote was polled. The issue was clearly defined some weeks ago to be "license or no license," and the matter had been pretty thoroughly canvassed. Dr. McCollister, the "Red Ribbon Man," had been here in the interests of the "no license" party for some time and had succeeded in working up a lively interest, apparently doing much good. Both parties, outside the whisky question, put a good ticket in the field, and both parties worked with a vim for the success of their respective tickets seldom before witnessed. The result was not just as anticipated, but nevertheless accepted with as good grace as possible.

Col. O. C. Johnson, temperance Mayor, was reelected over John Hackett, by a majority of seventy.

S. S. Goodale, temperance candidate for City Treasurer, was elected over William T. Goodhue, by a large majority.

J. B. Peet, temperance Alderman, was elected in the Second ward.

J. A. Sherwood and M. S. Hinman, license Aldermen, were elected in the Second ward.

Charles H. Parker, license Alderman, was reelected in the Third ward, over Wash. James in the Fourth ward, by a small majority.

The Council will now stand for license, eight; against license, four, with the majority on the gentler side.

B. C. Rogers, Esq., who ran on both tickets was elected Police Justice.

For the First and Second wards E. P. King was elected Justice of the Peace over Booth M. Malone (temperance) by a majority of nine.

For the Third and Fourth wards P. M. Pierce was elected Justice of the Peace over Benj. Cheeney.

For Supervisors, C. C. Keeler was elected in the First ward over H. N. Davis, by eleven majority. J. M. Cobb elected in the Second ward, Prof. T. C. Chamberlain in the Third ward, and —— Kemdall in the Fourth ward.

—Dr. McCollister is still in the city looking over the ground.

JOHNSTOWN CENTER.

—The people of this place have been called to mourn the death of a much respected friend. Miss Ada Pratt departed this life March 25th at the early age of 21 years 11 months. Miss Pratt was a young lady of good repute in the community and her loss is deeply felt. For nearly two years that dreadful disease, consumption, has been preying upon her delicate frame, and at last it gained the victory and she has been gathered to her eternal rest.

—The last mite society was held at the residence of R. T. Pember. The next one will be held at George Stearns' on this (Thursday) evening.

—The Temple of Honor now numbers forty-six active members, and more are on the right track. Success attend them.

—There is some talk of starting a creamery in this village. It may be a success as most of the cows give butter-milk.

—It only costs $2.00 for the Gazette for one year and no family should do without it.

MILTON JUNCTION.

—The ladies of this village propose to give an entertainment for the benefit of the Temple of Honor, on Thursday night April 11, to consist of a dime entertainment in the hall followed by a supper in the store room below. Tickets to which will be sold at 50 cents a couple except to those donating to the supper, the evening will be rich and varied in its enjoyment, and well deserves the patronage of all who can attend.

—The grounds of the S. D. B. society have recently been greatly improved by planting a large number of ornamental trees therein, which were given to the society by J. C. Plumb & Son, of Milton, whose generous contributions in this direction are deserving of all praise.

—D. Allen, of Rochester, N. Y., will deliver a temperance lecture at the M. E. Church in this village, on Thursday and Friday evenings of this week. Mr. Allen is a lecturer of great eloquence and much native power, and can speak from large personal experience of the evils of intemperance. Come and hear him.

—On Thursday night last the graded school of this village gave an exhibition at Morgan's hall, as the closing exercise of the winter term, that demands more than a passing notice. The exhibition was somewhat of a surprise to the community in general, both by reason of the excellence of the entertainment itself, and the manifest improvement so perceptible in many of the pupils. The programme contained some fifty numbers, many of which were pithy and spirited, and were without exception well committed and delivered. "Going West to Die," Frankie McAdams; "Chatter Box," little Mamie Paul; "Hung Excellent," Jessie Paul; "How He Saved St. Michael," Mattie Davis; tableau "When the Cat is Away the Mice Will Play;" tableau "No Rose Without Thorns;" "Advice to Young Ladies," Will Tiltoh! "Dressed for Meeting," Charley Thorpe; "Scandal," two scenes; "Lord Dundreary," tableau; "She Would be a Mason," Emma Foster; "Petroleum," tableau; closing with a tableau entitled "Yankee Doodle."

—The open session of the Clear Lake Temple, advertised for last Saturday night, was adjourned for one week, and will therefore occur next Saturday night at the Rock River Church. Good speakers will be in attendance. Fill up the house.

—Caucus and town meetings passed off very quietly for this town. The caucus was very largely attended, showing a continued watchfulness and determination not to be caught napping, worthy of all commendation, the old ticket was nominated and elected save the election Mr. Gillam side supervisor in place of J. G. Carr, and of B. F. Titsworth, for town clerk, in place of W. P. Clark.

—Miss Jennie May Clarke, of Chicago, Ill., is in town spending a few weeks visiting friends.

—We understand there is talk of a repetition of the exhibition given by the school on Thursday evening last, at an early date, provided a larger room can be obtained to hold it in.

—Large quantities of ducks are being shipped from this point to Chicago and New York.

—Mr. Henry Tracy and Miss Katie Lembrick, of this place, were united in wedlock on Sunday evening last, at the Morgan house. They will accept congratulations.

—Pupils in the primary department of the graded school who have not been absent or tardy this term: Ethel Brandt, Myrtie Frink, Elma Frose, Irving Hinkley, Josie King, Maggie McGraw, Katie McGraw, Jimmie McGraw, Ella Morrisy, Maggie Moryartie, Willie Paul, Mamie Paul, Allie Snow, Dora Thorpe, James Stockman.

An Astonishing Fact.

A large proportion of the American people are to-day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will relieve the worst case. Positively sold by all druggists on the western continent. dec1deod-weow6m:

A Pardonable Pride

Prompts most people to delay, by any laudable means that science affords, the evidences of physical decay. Who that is in perfect health would not match the bright eye, the active mind, and other appearances of youthful vigor, with the luxuriance, the rich color and beauty of youthful hair? Parker's Hair Balsam stands pre-eminent as an elegant hair dressing, and by its healthful action on the roots not only promotes a luxuriant growth of the young hair, but unfailingly restores gray or faded hair to the original youthful color, giving a soft, rich and lustrous appearance of great beauty. No other preparation so effectually removes dandruff or stops falling of the hair; its cooling and healing action entirely curing itching and humors of the scalp, and keeping the skin clean, white and healthy. It is perfectly harmless, exquisitely perfumed, and contains nothing that will soil the skin or gum the hair. It is not a dye, and is unequaled for excellence and purity. MAGNOLIA STORE

Being desirous of changing my business and place of residence, I offer my STORE at Magnolia Corners for Sale; also my house and lot, convenient to the store. The lot contains about three acres, well covered with Fruit trees, etc., consisting of about 70 Apple trees, in bearing (this orchard has produced 200 bushels in one season), in *very good* condition; Cherry trees, Siberian and Russian Crabs, a half dozen Pear trees, very thrifty. Currants, Gooseberries, Raspberries, of different varieties, Strawberries and Grapes. I should prefer to sell the stock with the store. Will sell very cheap for cash, or on easy terms for *good* paper. Will sell store and stock alone if purchaser desires. It is a good point for country trade, but I have interests elsewhere that require my personal attention. J. F. HOWARD.
